

THE CLEARWATER

2,806 Sq. Ft. • 4 Bedrooms • 2.5 Bathrooms • 3 Car Garage • Bonus Room • Office

The Clearwater by Eaglewood Homes provides a stunning light and airy atmosphere with its large windows and spacious living area. Custom wainscoting extends into the entry hallway with a hidden door to under-stairs storage. Almost every room has at least two windows, providing abundant natural lighting for the whole home. The kitchen features a large walk-in pantry and is open to the dining and living area for entertaining. As always, there is a spectacular master suite with a huge walk-in shower, soaker tub, and tons of other fabulous details throughout the home.

SECOND FLOOR

Photos may depict upgrades or changes which are not included in the base price of this home.

At Eaglewood, we constantly strive to offer modern homes of outstanding craftsmanship and incredible value and, as a result, some design features and details may change from home to home. While we do try to keep all of our photos and plans up-to-date, please be advised that these photos do not constitute any contractual obligation between Eaglewood and the homeowner. Please verify all details in your plans and specification sheet at the time of contract.
